

WA STATE PEBB CHANGE IN STATUS FORM
Navia Benefit Solutions

Employees may enroll or revoke their Medical Flexible Spending Arrangement (FSA) or Dependent Care Assistance Program (DCAP) elections, and make a new election, when a special open enrollment (SOE) event occurs. The change you make must correspond to and be consistent with the event. For example, if your dependent ceases to meet Public Employees Benefits Board (PEBB) eligibility rules mid-year, that event only allows you to **decrease** your DCAP election amount.

Your employer must receive this form **no later than 60 days** after the SOE event that allows a change to your Medical FSA or DCAP. You also must provide your employer with evidence of the qualifying event that created the SOE. Your employer must verify your qualifying event (including your supporting documentation) and fill out Section III before forwarding this form to Navia Benefit Solutions. (Exception: University of Washington employees must make changes online in Workday.)

If you have transferred to another state agency to a position that is eligible for PEBB benefits and had 30 days or less between employments, use the *PEBB Agency Transfer Form*, available at pebb.naviabenefits.com, to continue your Medical FSA or DCAP elections. See the Medical FSA or DCAP enrollment guides for more information.

Change due to termination or leave of absence (ineligible for benefits):

Check the box below to select how your employer will handle your contributions. Please check with your employer to find out which section is allowed by your payroll or benefits office.

Medical FSA:

- Accelerate contributions from last paycheck to continue participation with your employer for total annual contributions on a pre-tax basis, **if allowed by payroll or benefits office.**
- Continue Medical FSA participation (by submitting COBRA election form to Navia Benefit Solutions) and pay monthly contributions through the employer to participate until plan year-end on an after-tax basis. This is available to participants who have claimed less than they have contributed.
- Arrange a schedule with payroll or benefits office to “catch up” Medical FSA payments when returning to work. (Applies only to leave under FMLA and requires **prior** employer approval. You will not be able to claim expenses incurred during the leave. Or make arrangements with your employer about your contributions before going on leave.)
- Terminate contributions and participation. (For FMLA leave: when you return to work, you may resume the same deductions through your employer – automatically decreases annual election – or increase deductions to maintain your annual election.) Any expenses incurred during FMLA leave are not eligible for reimbursement.

DCAP:

- Stop contributions and allow reimbursement for eligible expenses. (Note: only expenses incurred while working or looking for work will be reimbursed).

Section III – Change of Election for Medical FSA and/or DCAP

Write your new contribution amount for each paycheck and fill in the rest of the fields to calculate your new annual election.

Medical FSA:

$$\frac{\text{New per paycheck}}{\text{New per paycheck}} \times \frac{\# \text{ of paychecks remaining}}{\# \text{ of paychecks remaining}} + \frac{\text{Year to date contributed}}{\text{Year to date contributed}} = \frac{\text{New annual election}}{\text{New annual election}}$$

DCAP:

$$\frac{\text{New per paycheck}}{\text{New per paycheck}} \times \frac{\# \text{ of paychecks remaining}}{\# \text{ of paychecks remaining}} + \frac{\text{Year to date contributed}}{\text{Year to date contributed}} = \frac{\text{New annual election}}{\text{New annual election}}$$
